BIO ETHANOL RANGE

Every home deserves a Henley, and our new range of bioethanol fires is the perfect option.

Henley Bio ethanol fires adds a lavish look to your room. With its simplistic flueless installation there is no need for any chimney or flue pipes. It is the cleanest and one of the most environmentally friendly forms of heating with no soot, dirt or ash.

What is Bioethanol?

It is a fire fuelled by an environmentally friendly and sustainable liquid fuel that is created from plant extracts. Bioethanol fuelled fireplaces are a perfect alternative to a conventional gas, wood or multifuel fire.

*see Pg.5 for Products & prices

What are the Benefits?

- Ease of Installation
- No chimney or flue systems
- 100% Energy Efficiency
- Environmentally Friendly
- Easy to Use & Maintain
- Focal point to your room
